

AUXILIARY OF THE  
CONGRESS OF NEUROLOGICAL SURGEONS

October 1, 1959

Dear New Member:

I want to take this opportunity to extend a special welcome to you. The other officers, Mrs. Ann Earnest and Mrs. Phyllis deSaussure, and each of us hope you will attend the Ninth Annual Meeting of the Congress in Miami, Florida, on October 28, 29, 30, and 31.

The enclosed letter will give a preview of the fun we have together.

Ask your husband to bring home from the office, for your perusal, all the material he has received about the meeting for the fun possibilities in and around Miami.

Perhaps, because our organization is young in years and spirit and not too overwhelming in number, there is a special friendliness in the air at each meeting.

I look forward to seeing you in Miami and the many happy reunions thereafter.

Sincerely,

Lisa Gordy  
President
